5	6) The Pres. Dt. Bd. Kolar N° 65 dated 24 July 1911. States that instructions have been issued for crediting the revenue from the items to Dt. Funds.

and the produce of trees on the road side are being credited to Land Rev. Miscellaneous from the Presd DT Bsd. Mysore No. 5422 27.3.13

9) States that the income from the grass and the produce of trees on the sides of roads is not being enjoyed by the DT Bsd. In connection with the insufficiency of funds for Union administration, the Dy Commr of Chitaldrug suggested that the Amrogi revenue enjoyed by General Revenues may be made over to DT funds for the benefit of the Unions. With a view to ascertain whether the Amrogi revenue was credited to DT funds or not as required by Sec 20 of the L.B. Regulation, information was called for as to the practice prevailing in each of the districts. The Comms received ~~in the above~~ are in reply to this.

11) It will be seen from the replies received that except in some Taluqs of the Bangalore Dt and the Channarayana Taluq of the Shimoga Dt the income, if any, from the sale of grass and the produce of trees on the road side & other area administered by the DT Bsd is being credited to the General Revenues under Land Rev. Misc. In the Kolar Dt

instructions have been issued for crediting the income under these items to Dt Funds. 12) As regards the timber fallen or felled from trees on ^{the} road side etc the practice in part of the Hassan Dt and in the Chitalong Dt seems to be that the dead parts of trees or the dead trees are given away to the persons who planted them in the first instance, they being required to plant & rear fresh trees in place of the dead ones - while in the taluqs of Hassan, Holenarasipur and Alur the income from this source is being credited to Forest Remittances.

13) Under Clause 9 of Sec 20(1) of the LB Regn the income from all the 3 items (1) Sale of grass (2) produce of trees (3) timber fallen or felled from trees in Dt Fund area should be credited to District Funds. 14) In case the practice of allowing the persons who planted the roadside trees to take the dead ^{wood} of the trees is altered, the ryots may refuse to plant fresh avenue trees in place of the dead ones and the work will have to be done ^{out of} by the Dt Funds. In some districts it is usual ~~now~~ to make some provision for planting avenue trees in the annual budgets.

5) It is understood that the proprietary right of the grass and trees on public grounds and on the sides of roads, has not been transferred from the Revenue Department to ^{the} D. B. Ds by any executive order. The property vested in the D. B. Ds under the D. B. Rules is given in para 43 of the said rules. Further the revenue from the produce of avenue trees and trees within village sites is being enjoyed by ~~the Government~~ the Revenue Department from a very long time ~~perhaps~~ previous to the introduction of the D. B. Regulation II of 1902.

16) Submitted for orders ^{if} ~~whether~~ the Revenue Commissioner may be consulted whether the income from the 3 items specified in para 13 supra may be ordered to be credited to D. B. Funds in all the D. B. Ds hereafter.

It is however eminently necessary to increase the income of the District - Boards and I would suggest that the income from Tungedi etc., lying outside the regular Forests which ought properly to go to the Revenue Department but which are credited to the Forest revenues be made over to the District Boards.

Sir,

With reference to Government Proceedings No. 2750-31.3. 211/12
52-39-12 dated 19th. September 1910, calling for a ~~list~~ re-
-port as to whether the Revenue realised from the sale pro-
-ceeds of grass and of the produce of trees not vested in
private individuals on the sides of roads and on other pub-
-lic ground under the control and administration of the Dis-
-trict Board and of timber taken or felled therefrom, are
being credited to District Funds, I have the honour to state
that from the reports of the Presidents of the several Taluk
Boards received in the matter it is ascertained that the sale
proceeds of grass on the sides of roads adjoining the vil-
-lages are being credited to Land Revenue Miscellaneous in
the Taluks of Hassan, Belur and Holenarasipur while in other
Taluks of Arsikere, Chennarayana and Arkalgud and in the
Sub Taluk of Alur the grass on such lands is not at all sold,
there being very little or no growth of grass on the reserve
portions of roads.

2. Regarding the produce of trees, it is reported by the
Amildars of Belur, Arsikere and Holenarasipur Taluks that

the

the realisations therefrom are being credited under Land Revenue Miscellaneous while in the Taluks of Chennarayapatna and Arkalgud, the Amildars report that the produce of trees is being enjoyed by the persons who planted the trees and in some places by the travelling public. Concerning Hassan Taluk and Alur Sub Taluk, it is reported that most of the trees on the sides of roads belong to private persons and that the produce of trees other than those in the enjoyment of private persons which are only very few is not being sold as no realisation could be expected therefrom.

3. As regards the timber taken or felled on the sides of roads, the Amildars of Hassan and Holenarasipur Taluks and the Deputy Amildar of Alur Sub Taluk have reported that the revenue realised therefrom is credited to "Forest remittances" but in the Arsikere Taluk it is reported to be credited to Land Revenue Miscellaneous while in the Taluks of Chennarayapatna and Arkalgud the Amildars report that the practice is, that ^{persons} who first planted the trees enjoy the benefits accruing therefrom and finally take the dead trees planting fresh trees in their places and rearing them.

4. It is only in the Taluk of Manjarabad that the realisations from the above three items are being credited to District Funds under section 20 of Local Boards' Regulation.

I have the honour to be,

Sir,

Your most obedient servant,
